

ShORE

SYMPOSIUM 2024

A Changing Estuary

APRIL 11 | 9AM - 4PM

Brannon Center

105 South Riverside Drive, New Smyrna Beach

Featuring Keynote Speaker **Clay Henderson**
Environmental Lawyer, Educator, & Author

Where People & Ideas Come Together
to understand and explore the Indian River Lagoon!

Join us as we bring awareness to conservation issues impacting the Lagoon and our community through the sharing of student and professional programs and projects that are making a difference.

Want to attend ShORE to learn what's going on in the Lagoon?
Are you a student interested in presenting your research?
Would you like to help us judge student presentations?

Be sure to visit our website!
